

# SAMPLE CONSENT FORM

[Institution logo]

## Consent form regarding the communication of personal information.

For the purpose of my admission inquiry at [name of institution], I disclosed some personal information required for the processing of my application.

I understand that, under the law, the college needs my consent on the disclosure of my personal information that is required in order to [indicate a specific purpose].

For this specific purpose, I give the college my consent to communicate the following personal information about me: [precisely indicate what type of information is being asked, (for example: "my email address, my phone number, my signature, my student number")] to [precisely indicate the people or businesses to whom the information will be disclosed], in writing.

This consent is valid for [indicate the period of validity of the consent (for example "my period of studies at [name of institution]"]).

I understand that this consent can be modified or withdrawn at any time by informing a representative from the college.
